

## **GLENDALE SEEKS PUBLIC INPUT ON SITE OPTIONS FOR POSSIBLE WESTERN AREA LIBRARY**

**GLENDALE, Ariz.** – The Glendale Library Advisory Board is hosting a series of two public open house meetings to gather community input and feedback regarding preliminary design concepts for two proposed sites for the future development of a new branch library in western Glendale.

One option being evaluated as part of the Western Area Branch Library Site Feasibility Study would reconstruct portions of the vacant third floor of the existing Glendale 11 Media Center near the University of Phoenix Stadium. The second option being considered calls for the construction of a prefabricated modular building complex at Heroes Regional Park located at 83rd Avenue and Bethany Home Road.
